[The Truth About The Conflict With Russia](#)

[And The Coming Death Of The US Dollar As World Reserve Currency](#)

CHURCH REFORM SERIES

By **Biblicism Institute**

*"The truth is incontrovertible. Malice may attack it, ignorance may deride it, but in the end, there it is."* – Winston Churchill

The current conflict between the US and Russia is due to one simple reason: the Ashkenazim, also known as Ashkenazi Jews. They have many scores to settle with Russia.

# THE INTEL

*"By these were the isles of the Gentiles divided in their lands." Genesis 10:5*

They are a resilient, **roaming** Turkic people. They have a knack for reinventing themselves. They first surfaced in annals as the notoriously barbaric Scythians or Sakadeans, depending on regional phonetic.

*"Here there is no Gentile or Judahite, circumcised or uncircumcised, barbarian, Scythian, slave or free, but Christ is all, and all." Colossians 3: 11*

The word **Scythian** or Sakadean comes from the word Saka – with its Iranian verbal root Sak, meaning **to roam**. The Empire, then named Parthia and abutting Scythia, influenced that word.

The Scythians settled Central Eurasia which they conquered with their Gentile brother Togarmath and various other cousins, expanding across a vast track of land that encompassed but was not limited to parts of present-day Turkey and Iran. Their Gentile brother Riphath along with their uncle Javan's descendants settled in Greece.

Later on, they reinvented themselves and settled a land they would call **Khazaria** – from the word **Qasar**, with its root **Qaz**, meaning **to roam** – following the break-up of the western Turkish Steppe Empire. Then the country converted to **Judaism/Pharisaism**, sometime between 740 and 920 AD, just so they could remain independent of the competing empires of that time, Christianity and Islam.

# THE INTEL

Then, [Sviatoslav I of Kiev](#) destroyed Khazaria around 1048 and absorbed it into [Kievan Rus'](#), a territory that would become part of the Russian Empire.

In [Imperial Russia](#), the Ashkenazim were kept under tight control and enclosed in the [Pale of Settlement](#), which, according to Wikipedia, "was a western region of the Russian Empire with varying borders that existed from 1791 to 1917 where permanent residency by Jews was allowed and beyond which Jewish residency, permanent or temporary, was forbidden."

# THE INTEL

including 200,000 members of the [Christian clergy](#), and [destroyed](#) 40,000 churches.

## **Solzhenitsyn with Putin**

"You must understand, the leading Bolsheviks who took over Russia were not Russians," revealed famed Christian writer Alexandr Solzhenitsyn. "They hated Russians. They hated Christians. Driven by ethnic hatred they tortured slaughtered millions of Russians without a shred of human remorse. It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormity is proof that the global media is in the hands of the perpetrators."

The great majority of [these vicious Bolsheviks](#) were [Ashkenazi](#) Jews [such as](#) Vladimir Lenin, Leon Trotsky, Lev Kamenev, Gregory Zinoviev, Yakov Sverdlov, and Grigory Sokolnikov. They were financed by Ashkenazi bankers from New York and London, such as [Rothschild Bank](#) and [Jacob Schiff of Kuhn and Loeb & Co.](#), who themselves championed the destructive ideology of the Ashkenazi Karl Marx, and found it profitable to invest in Communism's disastrous conquest of Russia, making a few bucks in the process by plundering the country via well placed agents who would later be known as "[oligarchs](#)."

Russia's entire Soviet Empire collapsed in 1991. Thus the Ashkenazim succeeded in bringing Russia to its knees.

Revenge Round 1. Done.

## **REVENGE 2**

### **Khazaria overlapped Ukraine & Crimea**

Today, Russia is under fire for the conflict in Ukraine. A conflict that was started by the neocon Ashkenazi Victoria Nuland in the US State Department, with her neocon Ashkenazi husband [Robert Kagan](#) working in the background via pro-Israel organizations such as Project for a New American Century, the Brookings Institution, and Council on Foreign Relations. Ashkenazi [George Soros](#) also contributed financially to the Ukrainian Maidan "Revolution."

"Many of the participants in Kiev's 'EuroMaidan' demonstrations were members of Soros-funded NGOs and/or were trained by the same NGOs in the many workshops and conferences sponsored by Soros' International Renaissance Foundation (IRF), and his various Open Society institutes and foundations," wrote William F. Jasper in [The New American](#). "The IRF, founded and funded by Soros, boasts that it has given 'more than any other donor organization' 'the moral transformation' of Ukraine."

# THE INTEL

their sole purpose is to destroy Russia once again by starting a fire in its underbelly, Ukraine. A fire [they re planni](#) spread into Russia proper via economic and military warfare – not unlike what they did to Germany with [the ecor boycott of 1933](#) followed by all out military conflict. Why?

1. Because Russia had the gall to rise from its still warm Ashkenazi-induced ashes.
2. Because Russia had the temerity to arrest their well-placed thieving agents known as “oligarchs,” with many [the country](#) to Apartheid Israel.
3. Because Russia had the audacity to impede the American war on Syria, which was [orchestrated by AIPAC](#) for benefit of Israel, a vile [Apartheid country](#) that is [fleecing the American people](#).
4. Because Russia threatens the [Ashkenazi-Jewish domination of the US Dollar](#) as the World Reserve Currency issued by the Jewish-controlled Federal Reserve: a monopoly Russia is undoing with its unexpected global reemergence, especially in Europe, Asia, and the Middle East where trade with Russia bypasses the US Dollar comeback by the Russian Bear is something [the Jewish elite](#) has been trying to impede since the dissolution Soviet Union. They have been relentless in their effort to keep the country down by erecting economic walls under Putin, crippling sanctions to prevent such a scenario. [Anuradha Chenoy explains](#):

*“...The United States government, as the issuer of the world's reserve currency, is only interested in one thing: the prolife the US dollar. This single fact is all one needs to grasp to truly understand US foreign policy.*

*“What does this mean in practice? It means that the US government, **in collusion with the Federal Reserve**, has the at print the US dollar at will... and can export its inflation to the rest of the nations of the world. Any nation that wishes to international trade, including the purchase of commodities such as natural gas or oil, must maintain massive US dollar to enable its purchases.*

*“The world, in effect, acts as a sponge to absorb US inflation, allowing the US government to amass obscene deficits tha massive military budget and [enrich a very small portion of the US population](#) at the expense not only of the world's population, [but also of the American working class](#).*

*As for any nation that wants to break free of the US dollar, we know all too well what the US has in store for them...This the [Russian Federation](#) comes in. If one really wants to understand why the US establishment hates Russia under Vladin all [one must](#) do is understand the dollar's role in the world. Russia is a direct threat to the proliferation of the US dollar.*

*“For its part, the Russian Federation has become quite resilient over the last 20 years and much less susceptible to any c pressure or influence... Russia is a sovereign nation that is not intimidated by the United States.*

# THE INTEL

.... to benefit a small Jewish elite and [their Apartheid country](#) that serves as their go-to haven in case things sudden going their way. Apartheid Israel doesn't exist as a home for all Jews because of so-called global [Anti-Semitism](#) as claim, but it is:

a) [the protector](#) of the Jewish-controlled Federal Reserve – Israel's spy agency, the Mossad, spies on American people and [blackmails them](#) with their dirty laundry, at the same time that AIPAC shamelessly [bribes them](#), thereby securing Jewish dominance over the US Dollar, the world's current reserve currency;

b) [the enforcer](#) tasked to destroy any country that refuses to use the Jewish-American financial system and its fiat as their main venue of doing trade;

c) [the emergent sanctuary](#) for Jewish elitist criminals – especially for when there's a real American revolution, since what occurred in Russia under Putin, [that targets](#) Jewish Oligarchs [destroying the US economy](#) to enrich themselves.

Therefore, because Russia is a threat to the Jewish American-Ashkenazi elite's grip on world power, it is targeted. The following has been thrown at it:

1) a scorched-earth economic war against the country in order to destroy it internally;

2) NATO encroaching on Russia's borders, contrary to [previous agreements](#), in order to better [wage war against it](#) in the near future;

3) [the Jewish Ukrainian leadership](#) and their [neo-Nazi battalions](#) committing [war crimes](#) and [ethnic cleansing of Russia](#) in Ukraine's independence-seeking Donbas region, which is inhabited mostly by Russians, in order to goad Russia into a military operation to protect fellow Russians there, then vilify it and impose more crippling economic sanctions.

Revenge Round 2. In progress.

## REVENGE 3

After the destruction of Khazaria, a great number of Ashkenazim scattered East and West throughout Europe and reinvented themselves as [Errant Jews](#) or [Wandering Jews](#) – meaning **Roaming** (Khazarian/Sakadean or Scythian) Jews. The label [had nothing to do with a longing for Palestine but a longing for Khazaria or perhaps a longing for a new land](#). Here's an excerpt from Wikipedia:

*In 1903 Theodore Herzl presented the British **Uganda** Program at the Sixth Zionist Congress in Basel.*

In the wake of World War 2, a great number reluctantly assimilated themselves throughout the Americas. However, a great majority migrated to Palestine where they created many terrorist groups such as the [Irgun](#), the [Stern gang](#), and [Haganah](#). They terrorized the Palestinian population, killed thousands upon thousands, and forced hundreds of thousands out of their homes and into neighboring Arab countries. Consequently, they [stole](#) Palestine and renamed it Israel in order to reinvent themselves as Hebrews and hoodwink gullible Christians in the West.

"It is certain that there is no ethnic or racial continuum between the Biblical Israelites and the (Ashkenazic) Khazars who lead the Jewish state," wrote [Gilad Atzmon](#), Jewish writer and musician.

In their adoptive countries outside of Israel, including the US and Europe, the Ashkenazim have become financial and influential powerhouses, not because they're Jews – at heart the majority of them are really not religious at all and care less – but because they're [a shrewd people](#). They have learned much from their roaming throughout history, assimilate themselves fast and hard. They're the ultimate Nomads.

## Was this on Putin's mind?

Now could it be that, after two successive ideological failures in the forms of Communism and the current slow-motion destruction of Zionism in Israel, somewhere deep inside the minds of die-hard Ashkenazi leaders lies a plan for a reinvention?

# THE INTEL

Arseniy Yatsenyuk was later replaced by another Jew, [Volodymyr Groysman](#), with a [coke-snorting](#) Jewish President, [Volodymyr Zelensky](#), a smutty and crass comedian (see video immediately below), recently “elected” (who then [stole \\$850 Million](#) from Ukraine’s treasury); thereby making Ukraine at that point the only country in the world besides Apartheid Israel, whose [President and Prime Minister were both Jewish](#), thus indicating [the direction the was headed](#).[https://www.youtube.com/embed/HbmZrzN3WFE?](https://www.youtube.com/embed/HbmZrzN3WFE?version=3&rel=1&showsearch=0&showinfo=1&iv_load_policy=1&fs=1&hl=en&autoplay=2&wmode=transparent)

[version=3&rel=1&showsearch=0&showinfo=1&iv\\_load\\_policy=1&fs=1&hl=en&autoplay=2&wmode=transparent](#)

“Ukraine will become Greater Israel,” [said](#) Zelensky.

Wayne Madsen [explains](#) the conspiracy behind this Ukrainian Greater Israel concept:

“The Times of Israel’s explosive story about the Khazarian roots of the Ashkenazis also revealed that Israel, knowing a Palestinian state is inevitable, considering the increasing pressure for it from Europe, is preparing to resettle Ashkenazi settlers in the West Bank to Ukraine. Israel’s advanced research in genetics resulted in a direct DNA line being established between Israel’s Ashkenazis and the Khazars who were dispersed across eastern and central Europe after Russia conquered the Khazarian Empire in the 11<sup>th</sup> century...

“In Ukraine, the so-called «second Israel,» (Ukrainian Jewish billionaire tycoon) Ihor Kolomoisky and Kiev have enlisted a number of ex-Israel Defense Force members in their volunteer battalions, including the (Nazi) [Azov Battalion](#). One of the Israeli units is known as the «Blue Helmets of Maidan» and is commanded by an Israeli using the pseudonym «Dan» (Dan Israel). Israel did not have a vested interest in expanding its influence in Ukraine; it could easily prevent these units from operating in Ukraine...

“Some Russian speakers in the Donbas are wary of the intentions of pro-Israelis in the Kiev government. Oddly, Kuchma has recruited a number of neo-Nazis from western Ukraine and Europe to fight in his battalions whose right-wing organizations have always subscribed to the notion of a future «battle royale» between Russia and the remnants of Khazaria in Israel, Ukraine, Poland, and the Republic of Georgia to avenge Khazaria’s defeat in the 11th century by the Russian Empire.”

It is quite possible that the Israelis are not just interested in revenge and in resettling Jewish land thieves (aka settlers) from the [West Bank](#) of Palestine to an ethnically cleansed Donbas region free of Russian natives, especially when the Jewish establishment of Israel has vowed that there will never be a Palestinian state, let alone remove Jewish land thieves from the land stolen in the West Bank.

Revenge Round 3? Nyet.

## AND THE ARROGANCE STOPS HERE

The Jewish Cabal controlling the Western financial world thought that Russian forbearance in the face of their unprovoked aggression in Ukraine to destabilize their country was weakness, and therefore miscalculated.

"It is a fact that over the past 30 years we have been patiently trying to come to an agreement with the leading NATO countries regarding the principles of equal and indivisible security in Europe," said Putin in February 2022. "In response to our proposals, we invariably faced either cynical deception and lies or attempts at pressure and blackmail, while the Atlantic alliance continued to expand despite our protests and concerns. Its military machine is moving and, as I see it, is approaching our very border."

Now Russia has acted, and after a long hibernation the Bear has awoken [with fury](#). Putin has ordered his army to liberate the Donbas region from the Ukro-Nazis and [demilitarize and de-Nazify Ukraine entirely](#) (i.e., the Donbas region will be taken off from Ukraine and become independent while Ukraine is to be reverted back into Russia's orbit and away from Western control).

"President Putin's special military operation to defend the people of Donbas from an imminent general offensive by the neo-Nazi regime in Kiev not only is it fully justified in international law by Article 51 of the Charter of the United Nations but it is fully consistent with the military praxis and doctrine of the legitimate self-defense of States in the face of an imminent threat emanating from a neighboring state or enemy forces," [explains](#) Heinz Dieterich, director of the Center for Global Transition Sciences (CTS) at the Autonomous Metropolitan University in Mexico City, and coordinator at the World Advanced Research Project (WARP).

And if the Zionist/Neocon conspirators and their bought-and-paid-for Western politicians did not get the message, Putin made this unequivocal pronouncement:

"I [would now](#) like to say something very important for those who may be tempted to interfere in these developments from the [outside](#). No matter who tries to stand in our way or all the more so create threats for our country and our people, you must know that Russia will respond immediately, and the consequences will be such as you have never seen in your history."

## CONCLUSION

Russia has been in the crosshairs of the Jewish elite for more than a century, and its very survival depends on it p  
back with all its might.

In fact, in confronting the [Israeli-trained](#) Ukrainian [neo-Nazi proxies](#) of this [satanic Jewish cabal](#), which hopes to [si](#)  
[world](#) and [destroy the Christian foundation of Western civilization](#), Russia is fighting not just for itself but for the [l](#)  
all of humanity.

A win for Russia will begin the destruction of the financial system by which this Jewish mafia is controlling the wor  
Russian Andrei Bezrukov, member of the Presidium of the Council on Foreign and Defense Policy, [concurs](#) thus:

"I want to state the fact that the West succeeded in dragging us into this war. No matter how we tried to resist, th  
tactical victory. They succeeded in colliding two brotherly nations against one another.

"From this we can draw the following conclusion – now we have been practically forced, especially after the latest  
sanctions, into a position where we have no other choice but to totally restructure our economy, financial system  
essence our domestic policy.

"The point is, by tactically winning and by successfully quarrelling us with the Ukrainian people – war, naturally, is  
ultimate level of quarrel – they have not understood that by doing so they have totally destroyed the very system  
they had built in the world. It is not visible yet, but in a few months their severed financial chains, broken ideologi  
messages, and broken security system will become apparent."

Bloomberg appears to be of the same mind and [concludes](#) as follows: "Booting Russia from the critical global syst  
which handles 42 million messages a day and serves as a lifeline to some of the world's biggest financial institutio  
could backfire, sending inflation higher, pushing Russia closer to China, and shielding financial transactions from  
by the west. It might also encourage the development of a SWIFT alternative that could eventually damage the su  
of the US dollar."

And [when the IMF](#) joins the chorus that sanctions on Russia could backfire against the US\$ position in the world,  
situation is getting really serious.

"The IMF's first deputy managing director, Gita Gopinath, warned that Western sanctions on Russia, and r [spe](#)  
the confiscation of dollar- and euro-denominated reserves held by the Russian Central Bank, could backfi. [m](#)

"Those nations that wish to buy energy from Russia — which is most European nations — will need to first buy rubles, then trade rubles for energy. This gives rubles instant credibility... **Putin's latest move threatens the very future of the dollar (fiat) currency and may spell the beginning of the end for the dollar.**"

## A Quick Ukrainian Zio-Nazi Recap

By Pepe Escobar

Only the brain dead across NATOstan – and there are hordes – are not aware of Maidan in 2014. Yet few know that then Ukrainian Minister of Interior Arsen Avakov, a former governor of Kharkov, who gave the green light for a 12 paramilitary outfit to materialize out of Sect 82 soccer hooligans who supported Dynamo Kiev. That was the birth of the Azov battalion, in May 2014, led by Andriy Biletsky, a.k.a. the White Fuhrer, and former leader of the neo-Nazi gang of Ukraine.

Together with NATO stay-behind agent Dmitro Yarosh, Biletsky founded Pravy Sektor, financed by Ukrainian mafia godfather and Jewish billionaire Ihor Kolomoysky (later the benefactor of the meta-conversion of Zelensky from comedian to mediocre President.)

Pravy Sektor happened to be rabidly anti-EU – tell that to Ursula von der Leyen – and politically obsessed with lining up Central Europe and the Baltics in a new, tawdry Intermarium. Crucially, Pravy Sektor and other Nazi gangs were drilled and trained by NATO instructors.

Biletsky and Yarosh are of course disciples of notorious WWII-era Nazi collaborator Stepan Bandera, for whom pure Ukrainians are proto-Germanic or Scandinavian, and Slavs are *unttermenschen*.

Azov ended up absorbing nearly all neo-Nazi groups in Ukraine and were dispatched to fight against Donbas – with mercenaries making more money than regular soldiers. Biletsky and another neo-Nazi leader, Oleh Petrenko, were elected to the Rada. The White Führer stood on his own. Petrenko decided to support then President Poroshenko. Soon the battalion was incorporated as the Azov Regiment to the Ukrainian National Guard.

They went on a foreign mercenary recruiting drive – with people coming from Western Europe, Scandinavia and even South America.

That was strictly forbidden by the Minsk Agreements guaranteed by France and Germany (and now de facto defunct). They set up training camps for teenagers and soon reached 10,000 members. Erik “Blackwater” Prince, in 2020, struck a deal with the Ukrainian military that would enable his renamed outfit, Academi, to supervise Azov.

It was none other than sinister Maidan cookie distributor Vicky “F\*\*k the EU” Nuland who suggested to Zelensky – and them, by the way, Ukrainian Jews – to appoint avowed Nazi Yarosh as an adviser to the Commander-in-Chief of the

## The Reasons For Russia's Special Military Operation In Ukraine

By [Batiushka](#) and Edited by BI

There were four triggers which sparked off the special operation on February 24th, 2022.

Firstly, the Jewish Zelensky regime wanted the Ukraine to become a NATO member. The weak post-Communist R Federation had already made that mistake many times, allowing Eastern Europe, notably the Baltics, Poland and to join that aggressive protection racket. In that way the post-War buffer states of Eastern Europe, providing a demilitarized zone for Russia, ended. After all, if, like Russia, you have been invaded from the West very regularly years, leaving 27 Millions of your citizens dead in the most recent invasion, would you not also want a demilitarized zone to protect you? Post-War [offensive NATO](#) was the only reason why the defensive Warsaw Pact was set up.

Secondly, with missiles on American bases in Poland and Romania and NATO troops smugly parading at the Estonian border with Russia, the Ukraine then threatened to obtain nuclear weapons. Did Zelensky, reading his American : true actor, really expect Russia not to react to this?

Thirdly, the US, not without the help of its local proconsul, the cocaine-addled Hunter Biden, had set up some [thi biolabs](#) in the Ukraine. Their target? To find genetically concocted viruses to infect Russians. Would Russia not defend itself?

Fourthly, though possibly this may not have been discovered by Russia until a day or two after the special operation and with the likelihood that Russia was quite aware prior to carrying the operation, the NATO-manipulated, US-in and Israeli-armed Kiev Army had a plan to invade the Donbas and genocide its people. Had they succeeded, it is certain they would have stopped at the Russian border. Truss, the supremely stupid British Foreign Secretary, let slip that already had Russian cities Rostov and Voronezh in its sights.

After eight years of attempts at negotiating, which Russia used to buy time and prepare for the War in case of Western idiocy, there was no other alternative but to send in troops in an initially limited military operation.

Russia must win this War against [Zionist](#)-controlled NATO. Nonetheless, the last thing Russia wants is a nuclear war, however much some fools in the West talk that up. And no matter how tempting targeting the 1,000 or so US bases the world may be, Russia certainly does not want the war to spread outside the current Ukrainian territory.

## ADDENDUM 3

### The Destroyers Of The World

By Biblicism Institute

"We Jews, we, the destroyers, will remain the destroyers forever." – Maurice Samuel

**Bolshevik Revolution:** The Jewish Bolsheviks, who took over the Russian government in the 1910s, killed 66 million Christians, including 200,000 members of the Christian clergy, and destroyed 40,000 churches.

**World War 1:** Britain was losing the war against Germany. The Zionists stepped in and manipulated President Wilson to get the US into the war to help them. In return, the Jews asked the British Empire to deed them Palestine to create their wish was granted in the form of the Balfour Declaration of 1917, which cost the world 18 million dead.

**World War 2:** The Zionists fomented that war (just like they're doing today with Iran and other countries in the Middle East), so that European Jews could feel threatened. The deception worked as European Jews fled in droves to Palestine, which took over the homes of Palestinians, who were evicted at gunpoint and then either massacred or driven out of their homes into neighboring Arab countries. With enough Jews on the ground, Israel was created in 1948 at a cost of 80 million lives.

**World War On Terror:** Jewish neocons, in cahoots with their bought-and-paid-for politicians in the US government, perpetrated their act of terrorism on 9/11. Then they conveniently blamed it on Muslims so as to obfuscate the green light to destroy the Middle East using the armies of the US and NATO and the terrorist groups they finance, with the ultimate view to creating Greater Israel. So far, the death toll is 27 million, including Christians.
